

# FISHING BOAT. FAMILY BOAT. SAME BOAT.

Some days you want to fish inshore and nearshore. Others, you want a family friendly bay boat. The SX2550 is both. Available in two versions, a Fishing package or a Family package with a stylish hardtop packed with unique features. You'll make plenty of memories. We've included a 3 Position step that goes from step to deck extension to table. In the bow is an insulated 145 quart fish box with macerator. And both versions offer industry leading gunwale heights and Carolina flare for a distinguished look and drier ride. Whether you're after performance fishing or a family day boat, this is your boat.

INTRODUCING THE SUPER VERSATILE

## SX2550

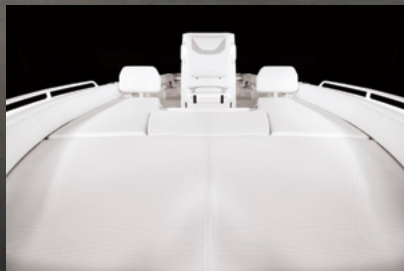

ALL NEW FOR 2020 FROM SKEETER.

BOATS SHOWN IN PHOTOGRAPHS  
MAY INCLUDE ADDITIONAL FEATURES  
NOT INCLUDED IN THE AVAILABLE  
LIST OF OPTIONS.

**OVERSIZED CONSOLE:** Features a full width and height side entry door. Large enough to add a portable toilet or serve as a changing room. Custom breaker panel and large access panel can also be found in the console.

**FORWARD SEATING:** On those days when the fish aren't biting, it's easy to configure the forward seating with a sun pad. If you're not catching fish, catch some rays.

**REAR BENCH SEAT:** Between the jump seats, we added a cushion with backrest to provide extra seating above the rear livewell. The backrest and cushion are easily removable. Flip up the jump seat pads to reveal easy access to the battery compartments.

**LEAN POST BACKREST:** Leaning post features thigh rise bolsters and arm rests for multiple seating configurations. Custom color matching helm comes standard with hydraulic tilt steering, fatigue reducing EVA padded foot rest and cockpit sole.
